CoC Renewal Funding Scoring and Rating Strategy

- At the July 26, 2023, meeting, the CoC Board approved a scoring and rating strategy for Transition Projects that have not yet completed a full grant term to be evaluated using only the applicable scoring criteria from the approved FY2023 CoC Renewal Scoring and Rating Criteria. The strategy was applied beginning the FY2023 CoC Program NOFO with the commitment to amend year after year, reflecting the most updated scoring criteria.
- The Office of Care Coordination met with the CoC NOFO Ad Hoc **to discuss a proposed amendment to the strategy** to support the success of **all projects that have not yet completed a full grant term** and ensure fair evaluation against other renewal projects in the local competition.
- For the FY2024 CoC Program NOFO Scoring and Rating Criteria, the following would be impacted:
 - ❖ **Unspent Funds:** points would be removed and non-applicable
 - ❖ **Project Effectiveness:** a portion of the point allocation would be reduced and non-applicable
 - ❖ **Overall maximum number of points** projects that have not yet completed a full grant term can receive would decrease.
- Only projects that receive a project performance score will be evaluated with the Project Performance criterion, however, this does not apply to any CoC renewal projects for the FY2024 CoC Program NOFO competition.

Business Calendar – Item #1

CoC Renewal Funding Scoring and Rating Strategy

- For the Orange County CoC, approval of this strategy would impact:
 - ❖ Pathways of Hope's Permanent Supportive Housing for Families project (**Transition Project**)
 - ❖ Families Forward's Rapid Rehousing for Families project (**First year renewal project**)
 - ❖ Friendship Shelter's Friendship Shelter Rapid Re-Housing project (**Not yet completed a full grant term**)
- The CoC NOFO Ad Hoc recommends approving the amended scoring and rating strategy for projects that have not yet completed a full grant term, including first year renewal projects, Transition Projects and Consolidation projects, to be evaluated only on applicable scoring criteria from the approved FY2024 CoC Renewal Scoring and Rating Criteria.
- If approved, the recommendation would be applicable for the FY2024 CoC Program NOFO and amended year after year, reflecting the most updated scoring criteria.

Business Calendar – Item #1

Recommended Action

- a. CoC Renewal Funding
 - i. Approve scoring and rating strategy for projects that have not yet operated for a full grant term, including first year renewal, Transition and Consolidation Projects, to be evaluated using only the applicable scoring criteria from the approved FY2024 CoC Renewal Scoring and Rating Criteria, as recommended by the CoC NOFO Ad Hoc.

Business Calendar – Item #1

CoC Reallocation Recommendations

- Reallocation is a process that CoCs use to shift funds in whole or in part from existing eligible renewal projects to create one or more new projects without affecting the CoC's Annual Renewal Demand (ARD).
- Prior to the CoC Program NOFO competition process, CoC-funded agencies are asked to complete an Intent to Renew Certification survey, which includes the opportunity to indicate a potential desire to **voluntarily reallocate renewal project funding** – in whole or in part.
- HUD incentivizes CoCs to evaluate project performance and gives points in the Consolidated Application to CoCs that either reallocate funding from lower performing projects to create new higher performing projects or have a process to review the performance of existing projects and reallocate funding from lower performing projects to higher performing projects.

Business Calendar – Item #1

CoC Reallocation Recommendations

- In May 2024, Anaheim Supportive Housing reached out to the Office of Care Coordination as the CoC Collaborative Applicant to explore whether a voluntary reallocation of the funding for the Tyrol Senior Plaza Senior Apartments project was desired.
- The Office of Care Coordination supported with reaching out to technical assistance providers and exploring options to support the decision-making process for Anaheim Supportive Housing, centering the support and services for older adults within the Permanent Supportive Housing (PSH) project.
- Ultimately, Anaheim Supportive Housing determined not to apply for renewal funding as part of the FY2024 CoC Program NOFO and has remained in conversation with the Office of Care Coordination to ensure housing stabilization and minimal disruption of services to current participants.

Business Calendar – Item #1

CoC Reallocation Recommendations

- The Tyrol Plaza Senior Apartments project currently uses **\$242,702** to fund **14 units of PSH for Older Adults**, with
 - ❖ 12 units/households receiving funding for supportive services only, and
 - ❖ Two (2) units/households receiving rental assistance and supportive services
- To support the stabilization of households for the project, which will end in September 2025, the Office of Care Coordination recommended that the CoC NOFO Ad Hoc consider reallocating the funds to a new PSH project with a similar design.
- A **new project** can also be an **Expansion Project**, which combines an existing eligible renewal project with up to two new projects that request funding to expand the existing project.

Business Calendar – Item #1

CoC Reallocation Recommendations

- The Office of Care Coordination met with the NOFO Ad Hoc to identify recommended project types and households to be served with the reallocated funding.
- The CoC NOFO Ad Hoc recommends that the reallocation funding be utilized to create a new **PSH project that serves Older Adults (ages 62 and older)**, to be solicited through the release of the CoC Bonus and Reallocation Funding Request for Proposals.
- This recommendation will support the Orange County CoC in ensuring current households receiving intensive supportive services and rental assistance will remain stabilized in housing.

Business Calendar – Item #1

- The CoC NOFO Ad Hoc members present at the July 5, and July 17, 2024, meetings, reviewed the CoC Bonus and Reallocation funding priorities from the FY2023 CoC Program NOFO competition as a starting point.
- Due to HUD's continued emphasis on serving households with the highest need in the CoC, including households with severe service needs, it was recommended to the CoC NOFO Ad Hoc to consider prioritizing similar populations to be served through CoC Bonus and Reallocation funding.

Business Calendar – Item #1

- The CoC Board is being asked to approve the Office of Care Coordination as the Collaborative Applicant for the Orange County CoC to create and release a RFP to solicit new RRH and PSH projects, with a focus on serving households with severe service needs and/or designating a minimum percentage of units to any of the above-listed special populations.

*Special populations are further defined as Families (households with at least one minor child and one adult), Transitional Age Youth (ages 18 – 24), Individuals (adult only households) experiencing chronic homelessness and Older Adults (ages 62 and older)

Business Calendar – Item #1
